

This is Nini who is 8 months old and lives with her owner Maria, in the Loulé area. Maria contacted StreetLife and one of our StreetEyes, Dineke, went to visit in April. Then Nini went on heat and every male dog in the area took an “interest”. Needless to say, little Nini got pregnant, so we got her to the Vet to be sterilised as soon it was possible.

Now Nini is puppy free and safe from the boys!

1400

1401 - Rita

Rita (10 years old) lives with her owner Lena Cristina in the Olhão area... she rescued two female dogs, who've sadly had many litters. They will stay with Lena for now and once recovered, she'll try to find a family for them. Lena had been to the Vet and discovered that one of the females needed surgery immediately, as she had a uterine infection. Lena could not do this herself and contacted StreetLife for help. Carla, one of our StreetEyes, went to visit and approved the application for Rita. The other female dog will be sterilised next, but Rita first! With thanks to DPDSAA.... for their support!

1402 - Papoila

Papoila is a 10-month-old puppy living with her owner Francisco in São Brás. Marie from StreetEyes/2ndhand4footers met the family while assisting with the sterilisation of several pregnant feral cats around their home. Noticing Papoila, then 9 months old, Marie advised Francisco to have her sterilised to prevent more unwanted animals. Francisco agreed and the sterilisation was arranged through Marie with her StreetEyes/StreetLife hat on. This highlights effective collaboration between animal welfare associations. With thanks to DPDSAA.... for their support!

1403 - Barbie

This cutie is Barbie, a 5-year-old dog, found abandoned in Funchais by a Danish couple who live over the road from the family who own Papoila (No 1402). After efforts to find her original owner failed, she was taken in by Esmerelda, who also lives near the owners of Papoila. Marie from StreetEyes/2ndhand4footers approved the application and arranged for Barbie's sterilisation. Barbie is now safe and loved in her new home, thanks to Esmerelda's kindness. With thanks to DPDSAA.... for their support!

1404 - Lucky

This is Lucky (7 mths) who lives with Maria Angelica in the São Bras area. A few months ago we sterilised Daisy, who is Lucky's Mum. She had not long given birth to 7 puppies; 5 males were adopted and 2 females remained. When Marie, one of our StreetEyes / Partner Shelters 2ndhand4footers went to visit Daisy and found out about the female puppies, she said that when they were old enough StreetLife would sterilise them. Well done Marie! So this is little Lucky, one of those female puppies. With thanks to DPDSAA.... for their support!

1405 - Zeus

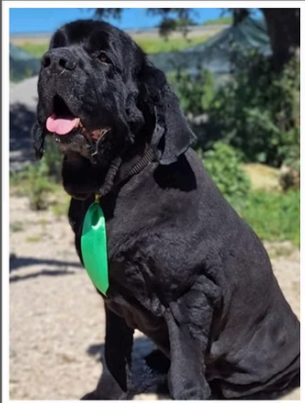

A StreetLife & DPDSAA Joint Venture  This is Zeus who is 9 months old and is under the care of APAR-Associação para protecção dos animais de rua- Moncarapacho/Fuzeta one of our Partner Shelters. Roseane, one of our StreetEyes, asked if we would help with the sterilisation of little Zeus... naturally we said yes!

1406 - Mel

A StreetLife & DPDSAA Joint Venture  Mel is a sweet girl (7mths) who lives happily with her sister Lucky (No 1404) and owner Claudio, in the Loulé area. Mum Daisy (No 1383) was sterilised a few months ago. They were spotted by Marie from 2ndhand4footers, (one of our great StreetEyes/Partner Shelters)... now they're all sterilised. Mel was ill with Parvo, but pulled through like a champ. After sterilisation, we're thrilled that she has her “forever” home.... the same with Lucky and mum Daisy. A happy ending and wagging tails all round! A job well done - thank you to everyone!

1407 - Carcanhol

A StreetLife & DPDSAA
Joint Venture

The quite large (9 yrs and around 50kg) Carcanhol is in the care of APAR, a Partner Shelter. This sweet natured boy who loves the water and needs space to run, was surrendered after his family lost their home.

StreetEye Carla went to meet Carcanhol and his family agreed that sterilisation would improve his chances of being rehomed.

He was quite stressed, but is now living with three girls at APAR to keep him company. We're sure there's a family for him. Interested? Please contact StreetLife and we'll pass your details to APAR.

1408 - Flow

June Campaign

A StreetLife & DPDSAA
Joint Venture

Flow (2 yrs) lives with Nuno in the Faro aea and is one of his 14 dogs (5 females, 9 males). We sterilised the females first... one more to go after Flow (Nos 1361, 1362 & 1363).

Nuno contacted us in April and StreetEye Carla paid a visit. The property is not fenced so the boys get into fights. The neighbours also leave dogs at their door because they know they're animal lovers.

StreetLife has slowly been trying to close the breeding cycle of this pack of 14 animals.

Once all the females have been sterilised, we'll be looking at the boys!!

1409 - Cuca

June Campaign

A StreetLife & DPDSAA
Joint Venture

Cuca (12 yrs) lives with Vilma in the Castro Marim area and applied for help in 2024 with her 9 dogs (5 females, 4 males). We offered to help with the females... the cost was high!

So, one of the females was sterilised; but for various reasons she couldn't sort out dates for the others. Finally, the second of her female dogs, Cuca has been sterilised and we are hoping the remaining three females will be visiting one of our Partner Vets very soon, seeing as StreetLife is now more able to offer the service.

Then we can see if we can tackle the boys!

1410 - Kiki

June Campaign

A StreetLife & DPDSAA
Joint Venture

Kiki (7/8 mths) lives with Eve in Moncarapacho. Eve had rescued Kiki who was chained to a tree after being found in a bin. Her legs were bent into an unnatural shape probably due to poor diet and being restricted whilst on the chain. She was too young for treatment but Eve used a supplement and daily physio.... now her leg is straight! When Eve asked for help with her sterilisation, there was no debate.... we said YES immediately.

Eve is an "unofficial" StreetEye who is well known and has a "large" family of dogs. Kiki has been lucky.... she is a much loved member of the pack now.

1411 - Scrappy

June Campaign

A StreetLife & DPDSAA
Joint Venture

Scrappy, lives with a Foster Mum Kim in the Olhão area. A Dutch couple found him wandering the streets near Moncarapacho.... hungry, thirsty and frightened. Now, with Kim he's learning to play, he has a kennel, soft blankets, water and food... not forgetting love! Scrappy has not been claimed.

Kim contacted StreetEye Roseane about help with his sterilisation and it was organised with a Partner Vet. Scrappy is looking for a home, but will need training.... he can be a bit aggressive when he feels threatened. Nothing that love and patience won't sort out! A team effort!

1412 - Francelina

June Campaign

A StreetLife & DPDSAA
Joint Venture

Francelina (5 yrs) is now in the safe care of StreetEye Roseane Estoi who received a call about two females, abandoned at Makro.... staff were feeding them. Roseane investigated and took both dogs home. Fara (No 1413) had a big tumour and Francelina's coat was very matted. Roseane took action!!!

Both dogs were groomed, having a "doggie make over"... then they were sterilised by StreetLife and at the same time Fara had her large tumor removed. They're both doing well and the best news ever.... Roseane has found them homes!! Wagging tails for all.... a "from rags to riches" story..... and team effort!!

1413 - Fara

June Campaign

A StreetLife & DPDSAA
Joint Venture

Fara (5 yrs) is now in the safe care of StreetEye Roseane Estoi who received a call about two females, abandoned at Makro.... staff were feeding them. Roseane investigated and took both dogs home. Fara had a big tumour and Francelina's (No 1412) coat was very matted. Roseane took action!!!

Both dogs were groomed, having a "doggie make over"... then they were sterilised by StreetLife and at the same time Fara had her large tumor removed. They're both doing well and the best news ever.... Roseane has found them homes!! Wagging tails for all.... a "from rags to riches" story..... and team effort!!

1414 - Kyara

June Campaign

A StreetLife & DPDSAA
Joint Venture

Kyara (4 yrs) lives with her owner Ruben (a shepherd) and other doggies, in the Loulé area. She is free to roam as she helps with herding, but each time she's on heat, she falls pregnant.

Ruben couldn't sterilise Kyara without help so StreetEye Carla visited and we agreed to help. When she saw our Partner Vet, she was pregnant again! Thankfully, everything was sorted.

With the help of StreetLife and our supporters, Kyara will be "puppy-free" in the future.

1415 - Chanel

June Campaign

A StreetLife & DPDSAA
Joint Venture

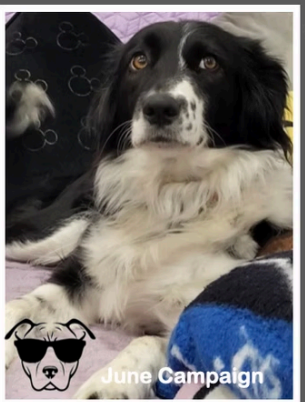

Chanel (2 yrs) and Pandora (No 1416) both live with Laura in Olhão... they live in a house with no yard so Laura takes them for a walk but has to stop when they are in heat because they'd certainly become pregnant.

A friend, who StreetLife has helped before, told her about our June Campaign so she contacted StreetEye Carla who went to meet the girls. Laura couldn't cover the cost of sterilisation without StreetLife's support.

Laura takes good care of her girls; they are clean, well cared for, very sweet, obedient ... and very loved!!

1416 - Pandora

June Campaign

A StreetLife & DPDSAA
Joint Venture

Pandora (3 yrs) and Chanel (No 1415) both live with Laura in Olhão... they live in a house with no yard so Laura takes them for a walk but has to stop when they are in heat because they'd certainly become pregnant.

A friend, who StreetLife has helped before, told her about our June Campaign so she contacted StreetEye Carla who went to meet the girls. Laura couldn't cover the cost of sterilisation without StreetLife's support.

Laura takes good care of her girls; they are clean, well cared for, very sweet, obedient ... and very loved!!

1417 - Lobo

June Campaign

A StreetLife & DPDSAA
Joint Venture

This is Lobo who is 7 years old and lives with his owner Diana, in the Tavira area.

One of our StreetBuddies, Pam, contacted us to see if we could help her neighbour to have her dog Lobo sterilised.

StreetBuddies can help us find families who need help as well as our StreetEyes... every one of our supporters is part of StreetLife and can help make a difference.

1418 - Aurora

June Campaign

A StreetLife & DPDSAA
Joint Venture

This is Aurora who is 2 years old and lives with her owner Belmira in the Sta Catarina area.

Aurora is a tiny dog who lives in the countryside with her family. Unfortunately, when she is in heat, she cannot be outside because all the neighbour's dogs come to visit her.

So, Belmiro's daughter-in-law (who was helped in the past by StreetLife) contacted Carla, one of our StreetEyes, to see if we could help her get Aurora sterilised.

1419 - Cacau

June Campaign

A StreetLife & DPDSAA
Joint Venture

Cacau (1.5 yrs) lives with Jack, Kika (No 1420/21) and owner Cidalia, in the Loulé area. StreetEye Dineke visited and agreed that the family desperately needed help. The dogs roam free.... so, puppies! The last 2 litters had 9 puppies; fortunately 7 of them have homes. Two female puppies (4 mths) were left and Dineke contacted Jan at Goldra, one of our Partner Shelters, who took them in.

Now there are only 3 dogs left, Kika and her two puppies Cacau and Jack. Naturally, StreetLife agreed to sterilise all three dogs.

A great team effort and no more unwanted puppies!

1420 - Jack

June Campaign

A StreetLife & DPDSAA
Joint Venture

Jack (1.5 yrs) lives with Cacau, Kika (No 1419/21) and owner Cidalia, in the Loulé area. StreetEye Dineke visited and agreed that the family desperately needed help. The dogs roam free.... so, puppies! The last 2 litters had 9 puppies; fortunately 7 of them have homes. Two female puppies (4 mths) were left and Dineke contacted Jan at Goldra, one of our Partner Shelters, who took them in.

A great team effort and no more unwanted puppies!

1422 - Izzys

June Campaign

A StreetLife & DPDSAA
Joint Venture

Izzys is 1 year old and lives with her owner Renato and her son, in the Loulé area.

We sterilised one of their other dogs a while ago and we were keen to sterilise Izzys too. She had been rescued by the Renanto's son... from a life on a chain. Well done!

StreetEye Dineke went to visit and sorted out all of the paperwork.... she also booked the sterilisation with one of our Partner Vets.

Without going into much detail, we were very pleased to be able to help this family.

1423 - Miss Whiskey

June Campaign

A StreetLife & DPDSAA
Joint Venture

This is Miss Whiskey who is 5 years old and lives with her owner Amine in the Olhão area.

StreetLife was contacted asking for help with this little girl as Amine couldn't afford the full cost of a sterilisation.

This is what StreetLife is here to do... help families who know the importance of sterilising their dog, but cannot always pay the full cost.

Now Miss Whiskey will be puppy free!

1424 - Zeca

June Campaign

A StreetLife & DPDSAA
Joint Venture

Zeca is about 5 years old and lives with Daisy (No 1425) and their owner Joana, in the Quarteira area. Joana contacted Dineke, one of our StreetEyes, during our June Campaign.

Dineke went to visit and discovered that Zeca and Daisy had been rescued but were not sterilised.... we all know that this was not a good idea and it turned out that Daisy was pregnant!

Everything was sorted! and the added bonus is that Joana asked to become a StreetEye... of course, we are thrilled to welcome this lovely volunteer.

1425 - Daisy

June Campaign

A StreetLife & DPDSAA
Joint Venture

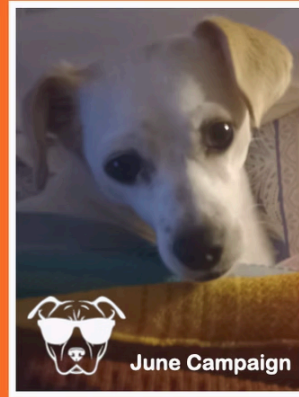

Daisy lives with Zeca (No 1424) and their owner Joana, in the Quarteira area. Joana contacted Dineke, one of our StreetEyes, during our June Campaign.

Dineke went to visit and discovered that Zeca and Daisy had been rescued but were not sterilised.... we all know that this was not a good idea and it turned out that Daisy was pregnant!

1426 - Lili

June Campaign

A StreetLife & DPDSAA
Joint Venture

This is Lili who is about 2 years old and lives with her owner Elisabete, in the São Bras area.

Elisabete contacted StreetLife asking for help with the sterilisation of Lili; she couldn't cover the full cost as she was living on her own but knew how important it was to get it done.

StreetLife approved the application and now Lili is safe from unwanted puppies.

1427 - Suma

June Campaign

A StreetLife & DPDSAA
Joint Venture

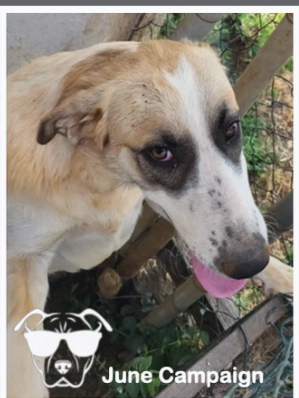

This is Suma who is 2 years old and is under the care of Canigoldra Associação para defesa e recuperação de animais, one of our Partner Shelters.

What a lovely doggie... let's hope someone falls in love with Suma soon.

If you are interested in adopting please contact Canigoldra Associação para defesa e recuperação de animais direct or send a message to StreetLife and we will pass your details on.

1428 - Lassie

June Campaign

A StreetLife & DPDSAA
Joint Venture

Lassie (8/9 mths) lives with her owner Mario, in Luz de Tavira and her story is a common one.

Lassie and her brother were thrown into the backyard of Mario's son when they were puppies! As his son could not keep them, Mario took the pups, even though he already had three of his own. They live in a rural area and have plenty of space.

Lassie was about to go on heat when Mario's wife saw a poster about our June Campaign and contacted Carla, one of our StreetEyes, who went to visit and approved the application.

1429 - Mike

June Campaign

A StreetLife & DPDSAA
Joint Venture

This is Mike who is 8 months old and lives with his owner Gabriel, in Luz de Tavira.

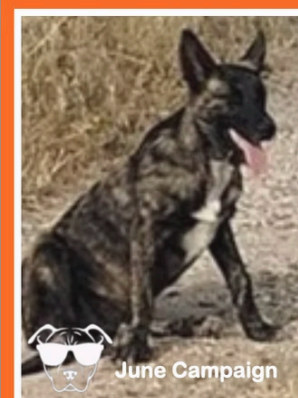

Mike was adopted as a baby by Gabriel, who already has other animals, a female that is already spayed and some rescued cats.

Gabriel saw that StreetLife was running a June Campaign and contacted Carla, one of our StreetEyes, who went to assess the situation.

Little Mike has now been snipped and is safe to play with the girls.

1430 - Tonicha

June Campaign

A StreetLife & DPDSAA
Joint Venture

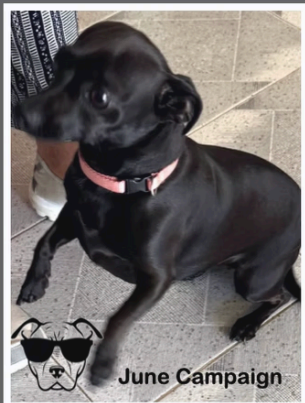

Tonicha (7 mths) is under the care of APAR, one of our Partner Shelters.

Tonicha came from a gypsy camps and the situation was complicated. We're sure she was meant to be just another breeder.

Now she is safe with APAR... the photo is a bit blurry because it was taken when she was rescued, but she's a lovely girl. If anyone is interested in finding out more about Tonicha or any of the other APAR dogs please make contact and we will pass on your details.

1431 - Pipoca

A StreetLife & DPDSAA
Joint Venture

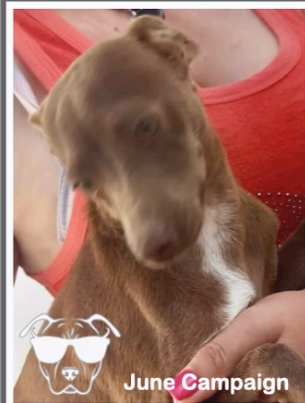

This is Pipoca who is about one year old and lives in Olhão with her owner, Maria.
This application came in via the Junta's office in Moncarapacho... StreetLife went to visit and everything was approved.

1432 - Jade

A StreetLife & DPDSAA
Joint Venture

This is Jade who is about 6 months old and lives with Pandora (No 1433), Kiko (No 1434) and their owner Maria, in the Sta Barbara area.

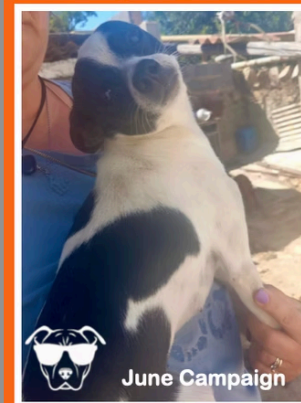

Maria contacted StreetLife during our June Campaign - Roseane went to visit and all three dogs were approved. There is also one more dog Kiki, but she's not long had puppies so we have to wait but she will be done as soon as its possible.

June Campaign

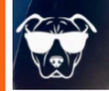

1433 - Pandora

A StreetLife & DPDSAA
Joint Venture

June Campaign

1435 - Julie

A StreetLife & DPDSAA
Joint Venture

Julie (7 mths) lives with her owner Peter in the Vilamoura area.... he made contact during our June campaign StreetEyes Dineke, visited and approved the application.

After the surgery Julie began chewing & biting the stitches and that had to be attended to... this involved a few days at our partner Vet.

StreetLife covered all costs associated with this sterilisation plus the further surgery and overnight stays.... totalling in the region of 400.00 euros.

Julie is now recovering and well, thankfully!

June Campaign

1436 - Tomi

A StreetLife & DPDSAA
Joint Venture

This is Tomi who is 6 months old and lives with his owner Hilario, in the Castro Marim area.

Hilario found this little puppy abandoned and gave him a home.

He saw one of our posters for our June Campaign and asked if we could help... naturally we said yes!

1437 - Maggie

A StreetLife & DPDSAA
Joint Venture

Maggie (10 mths) is with Benafim, a Partner Shelter. She was found by Maggie (who she was later named after) in the Messines area. Her details were posted on all the "missing" sites, but nobody came forward.

Blood tests were done and when she was taken to a Partner Vet to be sterilised it was discovered that she was 10 days pregnant!

Good news!!!... since going to Benafim, Maggie has had a few visits from a potential adopter. Final vaccinations are due plus a "cat test" and then fingers crossed. she'll be going for a trial. We all have our paws crossed for little Maggie!

June Campaign

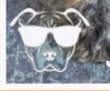

1438 - Fanny

A StreetLife & DPDSAA
Joint Venture

Fanny (12 yrs) lives with Rosemonde in Benafim. StreetEye Dineke shared a post about an old dog in the streets; her owner had died and the son was feeding her at his father's home where she was, alone. Rosemonde reacted... if Fanny got on with her 4 dogs, she'd take her. Fanny was seen by a Partner Vet and after treatment for a liver infection, she was clear! StreetLife paid for sterilisation but found that Rosemonde faced a cost of €700 due to surgery for mammary tumours. "Make a Bid Make a Difference" agreed to cover €200 and StreetLife paid €500.

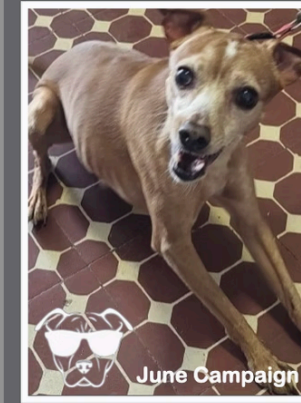

Once again, team effort rocked!!!

June Campaign

1439 - Dobby

A StreetLife & DPDSAA
Joint Venture

Dobby (10 yrs) lives with his owner Angelica in the Moncarapacho area.

Angélica asked for help to sterilise Dobby during the June campaign, StreetEye Carla went to visit. Dobby is small and temperamental... he's always upset with the whole world! His name says it all!

When Carla met him, he decided to greet her with a little bite!

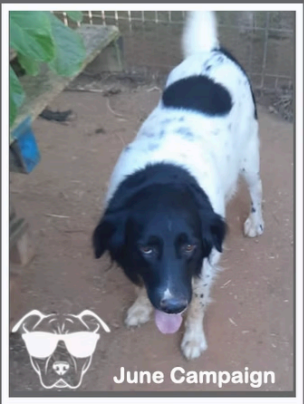

Maybe after the sterilisation he will be calmer, we hope so.

June Campaign

1440 - Zeus

A StreetLife & DPDSAA
Joint Venture

This is Zeus who is six years old who lives with Apolo (No 1441) and his owner Olga, in the Faro area.

Olga applied for help during our June Campaign and Roseane, one of our StreetEyes went to visit.

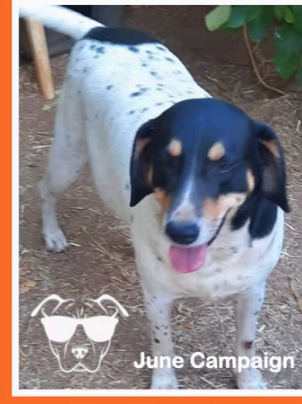

These two dogs kept fighting with each other so it was decided a snip might sort them both out!

June Campaign

1441 - Apolo

A StreetLife & DPDSAA
Joint Venture

This is Apolo who is six years old who lives with Zeus (No 1440) and his owner Olga, in the Faro area.

Olga applied for help during our June Campaign and Roseane, one of our StreetEyes went to visit.

These two dogs kept fighting with each other so it was decided a snip might sort them both out!

June Campaign

1442 - Mia

A StreetLife & DPDSAA
Joint Venture

This is Mia who lives with her owner Lucas in the São Bras area.

Little Mia was fostered for a while by one of our StreetEyes, Roseane.

She was then adopted by Lucas and before she went to her new home we made sure she was sterilised.

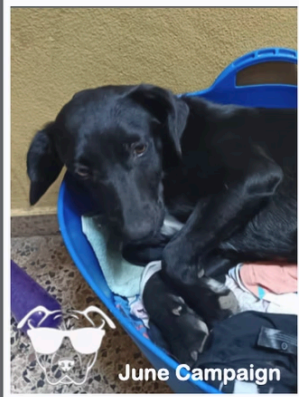

She can now play outside without any worries... and look at the smile on her face.

June Campaign

1443 - Nina

A StreetLife & DPDSAA
Joint Venture

Nina is 6 months old and lives with Nino (No 1444) and their owner Joana and her family, in the Almancil area. The family has already taken in several dogs from the street.

Joana saw our June campaign and asked if StreetLife could help.

Dineke, one of our StreetEyes, went to visit and to meet the two puppies.

Everything was agreed... as we all know, a boy and a girlie dog living under the same roof is not a good idea!

1444 - Nino

A StreetLife & DPDSAA
Joint Venture

Nino is 6 months old and lives with Nina (No 1443) and their owner Joana and her family, in the Almancil area. The family has already taken in several dogs from the street.

Joana saw our June campaign and asked if StreetLife could help.

Dineke, one of our StreetEyes, went to visit and to meet the two puppies.

Everything was agreed... as we all know, a boy and a girlie dog living under the same roof is not a good idea!

1445 - Diana

A StreetLife & DPDSAA
Joint Venture

Diana (8 mths) lives with her owner Nidia, in the Moncarapacho area. A man appeared at her work with a litter of puppies, looking for homes for them.... she took a female puppy even though she already has two female dogs.

Now, Diana is almost ready to have her first heat so Nidia approached APAR, a Partner Shelter for help and Nadia (from APAR) passed the request to StreetLife.

StreetEye Carla went to visit and approved the application!

1446 - Mel

A StreetLife & DPDSAA
Joint Venture

Mel (9 mths), with the cute nose and face, lives with her owner Marize in the Loulé area.

StreetEye Dineke had met Marize, who was her neighbour and was told about the 9-month old Mel, who Marize's daughter had adopted. She later took on a German Shepherd puppy, so now Mel is with Marize.

Mel has had her first heat but thankfully, did not become pregnant. So, it was quite obvious that she needed to be sterilised quickly!

Everything was authorised under the June campaign.

1447 - Luna

A StreetLife & DPDSAA
Joint Venture

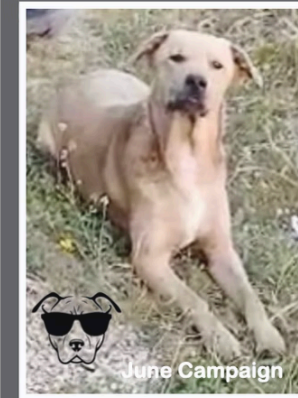

Luna (1.5 yrs) lives with her owner Fabio, in Olhão where there are two female doggies. Of course, it's quite difficult to walk the girls when they are on heat.

Fabio found out about StreetLife and our June Campaign when he was at the Vet with one of his doggies.

He would like to sterilise both his female dogs but he has never been able to do it.

Carla, one of our StreetEyes went to visit and approved the application!

1448 - Benjamin

A StreetLife & DPDSAA
Joint Venture

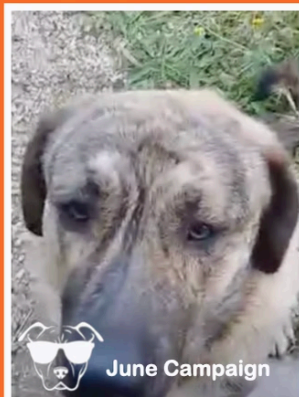

Benjamin (1 yr) lives with Peter (No 1449), Oscar (No 1450) and their owner Sandra, in the Pechão area. StreetEye Roseane saw these puppies in the street and called Sandra who said that they kept escaping and she'd been locking them up at night.

When she collected the dogs, StreetEye Roseane suggested sterilisation to help with stopping the escaping. Under our June campaign, everything was agreed, but getting photos was difficult and a photo of Oscar was impossible.

The main thing is that all 3 are snipped now!

1449 - Peter

A StreetLife & DPDSAA
Joint Venture

Peter (1 yr) lives with Benjamin (No 1448), Oscar (No 1450) and their owner Sandra, in the Pechão area. StreetEye Roseane saw these puppies in the street and called Sandra who said that they kept escaping and she'd been locking them up at night.

1450 - Oscar

A StreetLife & DPDSAA
Joint Venture

Oscar (1 yr) lives with Benjamin (No 1448), Peter (No 1449) and their owner Sandra, in the Pechão area. StreetEye Roseane saw these puppies in the street and called Sandra who said that they kept escaping and she'd been locking them up at night.

StreetEye Roseane suggested sterilisation to Sandra to help curb these escape artists. Under our June campaign, everything was agreed!

The main thing is that all 3 are snipped now!

1451 - Sweetheart

A StreetLife & DPDSAA
Joint Venture

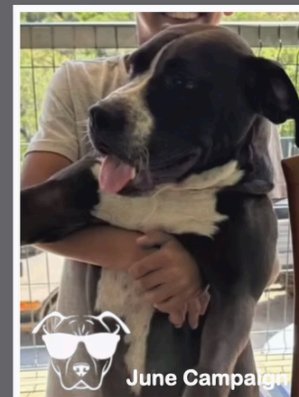

This sterilisation was for a little girl that we've called "Sweetheart"... not her real name.

There are times when our wise StreetEyes ask us to not to post details... so that's all we'll say about this sterilisation.

1452 - Thanos

A StreetLife & DPDSAA
Joint Venture

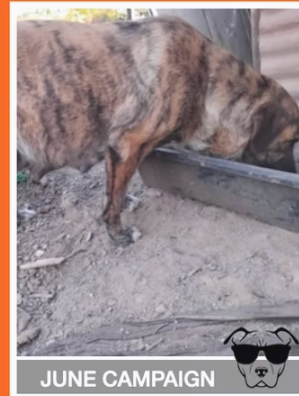

This is Thanos who is 2.5 years old and lives with his owner, Evelin in the Boliqueime area.

Evelin saw details about the June Campaign and asked if StreetLife could help.

So now, the handsome Thanos can't get any girls into trouble!

1453 - Bela

A StreetLife & DPDSAA
Joint Venture

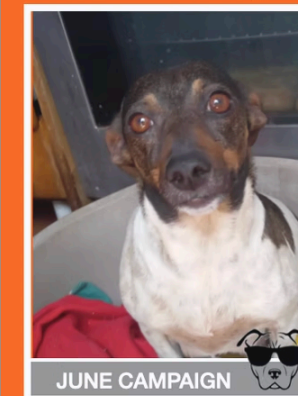

Bela is a large Rafeiro Alentejano and lives with her owner Ruben, in the Loulé area... as well as a few other male and female dogs.

Rubén could not afford the cost of a sterilisation for any of the dogs and that's why every heat cycle results in a litter. Bela became pregnant again and StreetLife was contacted.

StreetEye Carla visited and after Bela had given birth and recovered, the sterilisation was arranged.

The photo of Bella was taken when she was pregnant... no more puppies now!

1454 - Prada

A StreetLife & DPDSAA
Joint Venture

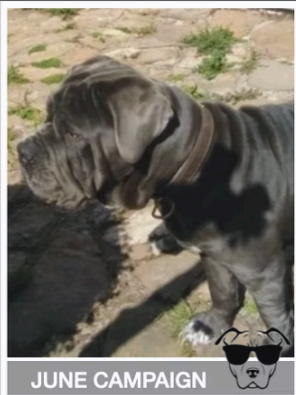

Prada lives with her owner Aldina in the Loulé area, whose daughter saw our June Campaign poster and contacted us. StreetEye Dineke paid them a visit and found little Prada feeding the last two of her last litter of puppies.

The neighbours' male dogs keep jumping into their garden when Parade is on heat and she's had several litters. However, Aldina could not afford the sterilisation.

Dineke and Aldina stayed in touch and as soon the pups were weaned and our Partner Vet agreed, she was sterilised.

1455 - Sofia

JUNE CAMPAIGN

A StreetLife & DPDSAA
Joint Venture

This is Sofia who is 10 months old and lives with her owner Ana, in the São Bras area.

Sofia's original owner became ill and gave her to Ana when she was a puppy. She is now a big dog and can become aggressive with the other female dogs that Ana has.

Marie, one of our StreetEyes went to visit and approved the application as part of our June Campaign.

1456 - Blackie

JUNE CAMPAIGN

A StreetLife & DPDSAA
Joint Venture

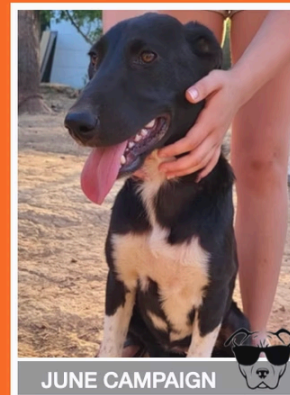

This is Blackie who is 7 months old and lives with her owner Veronica, in Altura.

Veronica asked for help under our June Campaign as she couldn't pay for the full cost of a sterilisation, but wanted to make a contribution.

StreetLife approved the application and little Blackie is now safe from unwanted puppies.

1457 - Athena

JUNE CAMPAIGN

A StreetLife & DPDSAA
Joint Venture

Athena (6 mths) lives with her owner Ana, in the Olhão area. Ana was helped by StreetLife a while ago. Sadly, she lost her home in the town and had to move. Now, she lives in the countryside with all her family and animals. As the area is popular for dumping puppies, Ana now has another four dogs... one of which is a female!

Ana was very worried, but then remembered StreetLife and contacted us to see if we could help. The right thing to do!!

StreetEye Carla visited... application approved!

1458 - Messias

JUNE CAMPAIGN

A StreetLife & DPDSAA
Joint Venture

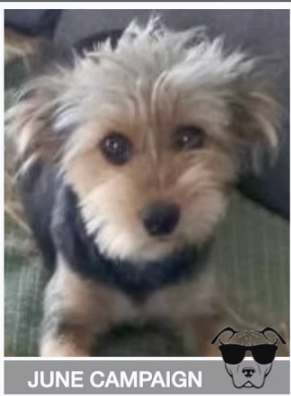

Messias (3/4 yrs) is under the care of APAR, one of our Partner Shelters.... a volunteer found him alone and without a microchip. Although published, nobody has come forward.

Messias is small in size and is a very friendly little dog with a sweet nature.

APAR will wait until the legal time for him to be claimed has passed, after which they'll try to find him a fantastic family that will provide him with love and a good, happy life!

He's had the snip and his bath and haircut have also been scheduled!

1459 - Kika

JUNE CAMPAIGN

A StreetLife & DPDSAA
Joint Venture

This is Kika who is about 9 months old and lives with her owner Custodia, in the Faro area.

Custodia was worried that little Kika would get pregnant when outside in the garden and on heat. She saw the StreetLife June Campaign poster and contacted us.

Roseane, one of our StreetEyes, went to visit and approved the application.

There will be no unwanted puppies for this really cute little girl!

1460 - Nina

JUNE CAMPAIGN

A StreetLife & DPDSAA
Joint Venture

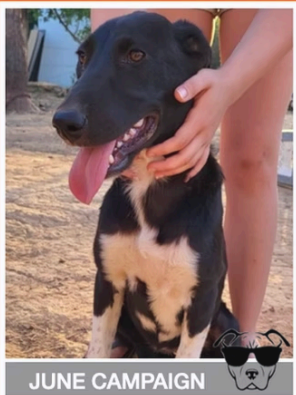

Nina (3 yrs) who has already had a few litters, lives with her daughter Rabina (No 1461) and their owner Paulo, in the São Bras area.

All the puppies have been rehomed except for 2 males and the little Rabina.

StreetEye Marie went to visit and as part of our June Campaign, agreed to the sterilisation of both Nina and Rabina.

Marie is trying to convince the owner to sterilise the other two male puppies, but at the moment he needs more persuading! We'll let you know!

1461 - Rabina

JUNE CAMPAIGN

A StreetLife & DPDSAA
Joint Venture

Rabina (8 mths) who has already had a few litters, lives with her mother Niina (No 1460) and their owner Paulo, in the São Bras area.

All the puppies have been rehomed except for 2 males and the little Rabina.

StreetEye Marie went to visit and as part of our June Campaign, agreed to the sterilisation of both Nina and Rabina.

Marie is trying to convince the owner to sterilise the other two male puppies, but at the moment he needs more persuading! We'll let you know!

1462 - Diana

JUNE CAMPAIGN

A StreetLife & DPDSAA
Joint Venture

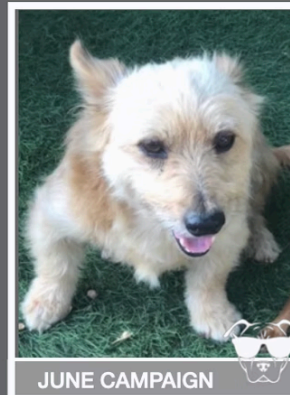

Diana (7 mths) lives with her owner Vitalino who we've helped before in 2023 and recently with Nikita (No 1367) who'd had a litter, in Olhão.

Vitalino couldn't find homes for every puppy, so he kept Diana who is becoming quite large. He knows the dangers, so contacted StreetLife for help with sterilisation.

StreetEye Carla went to visit and approved the application... now all Vitalino's dogs are sorted!

StreetLife is pleased that Vitalina remembered us and asked for help again! As for Diana.... she seems really relaxed about it all!

1463 - Pipoca

JUNE CAMPAIGN

A StreetLife & DPDSAA
Joint Venture

Pipoca (10 yrs) lives with Lady (No 1464) and owner Lidia in Olhão. She has 4 female dogs but no transport or finances and heat cycles are awful, with male dogs jumping the fence.

StreetEye Carla visited during a cycle and our June Campaign. She realised we'd have to wait for a while before they could be sterilised, so we planned for two sterilisations and the last two will be done soon after.

As you've probably guessed, both Pipoca and Lady were pregnant when the surgeries were done. Thankfully, they're safe now from any future, unwanted litters.

1464 - Lady

JUNE CAMPAIGN

A StreetLife & DPDSAA
Joint Venture

Lady (8 yrs) lives with Pipoca (No 1463) and owner Lidia in Olhão. She has 4 female dogs but no transport or finances and heat cycles are awful, with male dogs jumping the fence.

StreetEye Carla visited during a cycle and our June Campaign. She realised we'd have to wait for a while before they could be sterilised, so we planned for two sterilisations and the last two will be done soon after.

1465 - Cutie

JUNE CAMPAIGN

A StreetLife & DPDSAA
Joint Venture

We'll call this sweet dog "Cutie" because this is another occasion where we've been asked by our StreetEyes, not to post details about the dog. This is all we're able to say, other than that this little dog is safe.

1466 - She

JUNE CAMPAIGN

A StreetLife & DPDSAA
Joint Venture

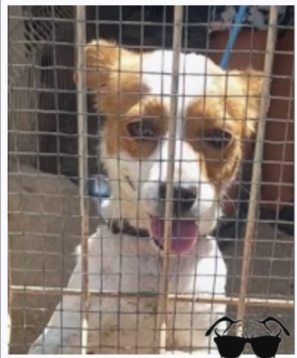

This is She who is about a year old and lives with her owner Rui, in the Olhão area.

Rui made contact during our June Campaign and asked for help. He knew the importance of sterilisation but didn't have the money to fully cover the total cost.

StreetLife approved the application!

1467 - Conchina

JUNE CAMPAIGN

A StreetLife & DPDSAA
Joint Venture

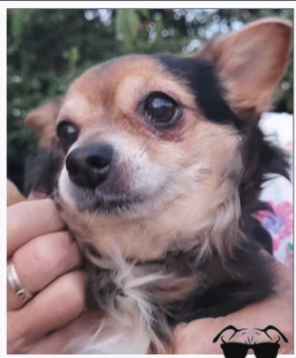

Conchinha (1.5 yrs) is under the care of our Partner Shelter APAR. Conchinha is a very small dog and was abandoned by being thrown over the fence of the APAR shelter. Who could do this?? !!

With no chip and no one looking for him, APAR will take care of this little boy so that he can finally find a loving, caring family!

StreetEye Carla made the arrangements for his sterilisation. Anyone interested in Conchinha should contact APAR or send StreetLife a message... we'll pass it on!

1468 - Nucha

JUNE CAMPAIGN

A StreetLife & DPDSAA
Joint Venture

Nucha (8 yrs) lives with Maria in the Pechão area.... there's a fenced area with lots of space but many animals... 3 dogs (1 female), cats, parrots, chickens, a pig...and all the strays that need food. She also helps her local Canil to trap stray cats for sterilisation. Her kindness costs her a lot, so via our June Campaign, she asked for help. Nucha had mammary tumours and as Maria recently lost a dog due to this, she was fearful. When Nucha was sterilised, the Vet confirmed that the mammary tumours could have burst. We approved both surgeries and we'll keep an eye on her progress!

1469 - Missy

JUNE CAMPAIGN

A StreetLife & DPDSAA
Joint Venture

This is Missy who is 16 months old and lives with her owner Vera, in the São Bras area. Vera contacted StreetLife during our June Campaign and Marie, one of our StreetEyes, went to visit.

Vera got little Missy as a puppy for her daughter; but couldn't afford the cost of the sterilisation.

Marie approved the application and Missy was booked in with one of our Partner Vets. Everything went OK and there will be no unwanted puppies... which is good news!

1470 - Mimi

JUNE CAMPAIGN

A StreetLife & DPDSAA
Joint Venture

This is Mimi who is 3 years old and lives with her owner Ana, in the Estoi area.

Ana contacted StreetLife during our June Campaign, so Roseane, one of our StreetEyes, went to visit and approved the application.

Well done Ana for knowing the importance of sterilisation..... little Mimi will be safe from the boys.

What a cutie!

1471 - Fiby

JUNE CAMPAIGN

A StreetLife & DPDSAA
Joint Venture

This is Fiby who is 7 months old and lives with her owner Diogo, in the Pechao area.

Diogo contacted StreetLife during our June Campaign asking for help as he would never be able to afford the cost of a sterilisation on his own.

The application was approved!

1472 - Peach

JUNE CAMPAIGN

A StreetLife & DPDSAA
Joint Venture

This is Peach who is 4 years old and lives with her owner Taynara, in the Faro area.

StreetLife was contacted during our June Campaign and asked if we could help with the sterilisation of little Peach.

Roseane, one of our StreetEyes, went to visit and approved the application.

Peach is now safe from the boys... maybe that's why she has a big smile on her face.

1473 - Lapa

JUNE CAMPAIGN

A StreetLife & DPDSAA
Joint Venture

Lapa (10mths) lives with her owner Benedita in the Loulé area... she contacted StreetEye Dineke about Lapa who she'd rescued from the streets and who was in a really poor condition.

Because of the barking, some locals were threatening to harm Lapa and as the associations were full, Benedita gave her a home, even though she had dogs of her own. She established that it would be too expensive for her to sterilise Lapa but fortunately saw the poster about our June Campaign and asked for help. All sorted now for this sweet girl!

1474 - Yoda

JUNE CAMPAIGN

A StreetLife & DPDSAA
Joint Venture

This is Yoda who is nearly 4 years old and lives with his owner Carlos, in the Faro area.

Carlos saw our June Campaign poster and contacted one of our StreetEyes, Roseane, who went to visit and approved the application.

Well done Carlos ... sterilisation is the way to go!!

1475 - Boneca

JUNE CAMPAIGN

A StreetLife & DPDSAA
Joint Venture

This is Boneca who is about 2 years old and lives with her owner Manuel, in the Faro area.

Roseane, one of our StreetEyes, went to visit and approved the application. Another application as a result of our June Campaign.

What a little cutie Boneca is... and look at those earsnow she is safe from the boys and any unwanted puppies!

1476 - Luna Maria

JUNE CAMPAIGN

A StreetLife & DPDSAA
Joint Venture

This is Luna Maria who is 1.5 years old lives with Tharique (No 1477) and their owner Sandra, in the Faro area.

Sandra contacted StreetLife during our June Campaign as she knew male and female unsterilised dogs living together was not a good idea.

Roseane, one of our StreetEyes went to visit and approved the applications.

1477 - Tharique

JUNE CAMPAIGN

A StreetLife & DPDSAA
Joint Venture

This is Tharique who is 2.5 years old lives with Luna Maria (No 1476) and their owner Sandra, in the Faro area.

Sandra contacted StreetLife during our June Campaign as she knew male and female unsterilised dogs living together was not a good idea.

Roseane, one of our StreetEyes went to visit and approved the applications.

1478 - Barbie

JUNE CAMPAIGN

A StreetLife & DPDSAA
Joint Venture

Barbie Cool (4 yrs) lives with Clarinha (No 1479) and owner Mariana in Olhão... she has 4 unsterilised females & 1-2 males... a bad idea!!

When any of the females come into heat, there is a problem. A friend saw our June Campaign poster and as a result, StreetEye Carla visited to assess the situation... both females were in danger, if not sterilised.

Carla approved the applications and the other two females were also authorised, but will be posted later. Let's hope we get the boys too!!!

1479 - Clarinha

JUNE CAMPAIGN

A StreetLife & DPDSAA
Joint Venture

Clarinha (5 yrs) lives with Barbie Cool (No 1478) and owner Mariana in Olhão... she has 4 unsterilised females & 1-2 males... a bad idea!!

1480 - Bonny

JUNE CAMPAIGN

A StreetLife & DPDSAA
Joint Venture

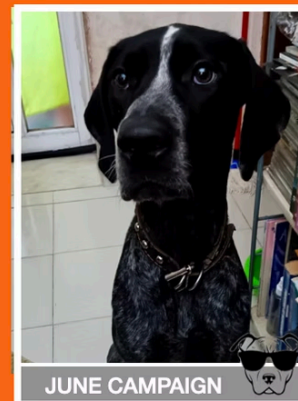

Bonny (2.5 yrs) lives with her owner Zulay in the São Bras area; he contacted StreetLife last year but nothing transpired. On seeing our June Campaign, thankfully Zulay contacted us again.

StreetEye Marie went to visit and it seemed there were several dogs at the house with at least three females. Marie agreed to the immediate sterilisation of Bonny who has had at least 2 litters and we will attempt to get the other females sterilised with Zulay's permission.

The rest of the dogs are on our radar!

1481 - Kiara

JUNE CAMPAIGN

A StreetLife & DPDSAA
Joint Venture

This is Kiara who is just over 1.5 years old and lives with her owner Maria in the Faro area.

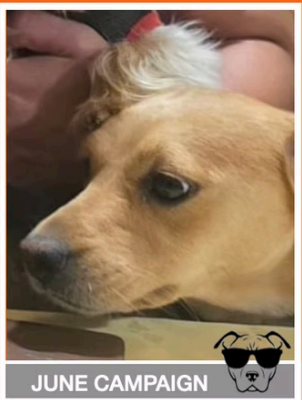

Maria saw our June Campaign poster and contacted StreetLife.

Roseane, one of our StreetEyes, went to visit and approved the application.

So, no unwanted puppies for beautiful Kiara!

1482 - Jessie

JUNE CAMPAIGN

A StreetLife & DPDSAA
Joint Venture

This is Jessie who is 3 years old and lives with her owner Patricia in the Faro area.

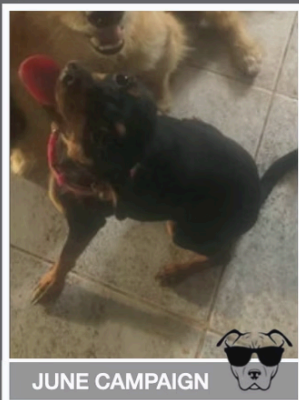

Patricia saw our June Campaign and contacted StreetLife to ask for help.

One of our StreetEyes, Roseane, went to visit and approved the application.

Another dog sterilised which will result in less unwanted puppies!

1483 - Lua

JUNE CAMPAIGN

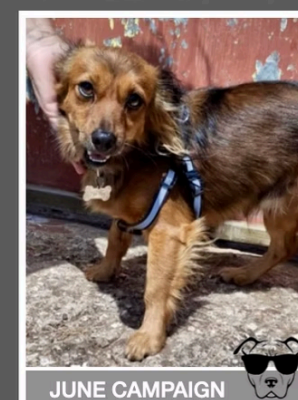

A StreetLife & DPDSAA
Joint Venture

Lua (3 yrs) lives with Lidia in the Olhão area, who we've helped before. She has four females. Pipoca (No 1463) and Lady (No 1464) have been sterilised and Lua is number three; they've all been pregnant, so far. Lidia lives in an unfenced area and the male dogs from afar come to say "hello" when the females are on heat. At least three females will no longer get pregnant and the fourth dog from this family will be going in soon to be sterilised.

Our StreetEye, Carla, sorted everything out for Lidia. Little Lua wouldn't keep still to have her photo taken!

1484 - TimTim

JUNE CAMPAIGN

A StreetLife & DPDSAA
Joint Venture

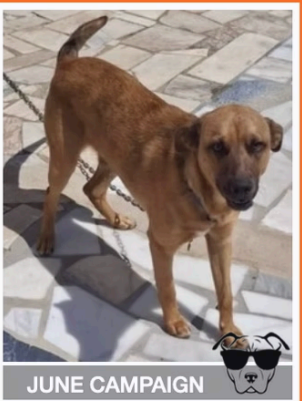

This is TimTim who is about 2 years old and lives with his owner Elsa in the São Bras Area.

Little TimTim was referred by a Vet to one of our StreetEyes, Marie, to see if StreetLife would help this little boy because he had an impacted testicle.

Marie got everything sorted and now TimTim is sterilised and hopefully feeling more comfortable.

1485 - Cacau

JUNE CAMPAIGN

A StreetLife & DPDSAA
Joint Venture

This is Cacau who is 13 months old and lives with his owner Ana in the São Bras area.

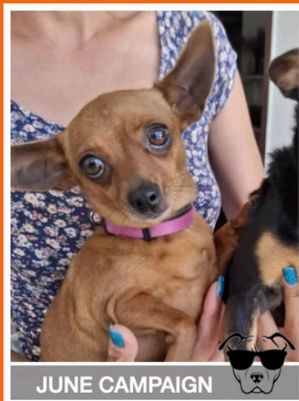

This application came in via the Junta in São Bras during our June Campaign.

Marie, one of our StreetEyes, who works very closely with the Junta, approved everything and Cacau was sterilised.

Working together with the Junta gets us closer to the local community!

1486 - Pilar

JUNE CAMPAIGN

A StreetLife & DPDSAA
Joint Venture

This is Pilar who is about 2.5 years old and lives with Amora (No 1487) and their owner Catia, in the São Bras area.

Catia contacted Marie, one of our StreetEyes, during the June Campaign. Marie went to visit and approved both applications.

Little Pilar & Amora are much loved members of the family! It's just so great when the value of sterilisation is appreciated!

1487 - Amora

JUNE CAMPAIGN

A StreetLife & DPDSAA
Joint Venture

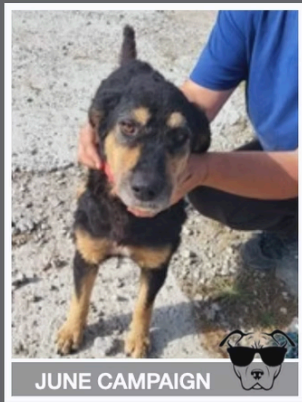

This is Amora who is about 2.5 years old and lives with Pilar (No 1486) and their owner Catia, in the São Bras area.

Catia contacted Marie, one of our StreetEyes, during the June Campaign. Marie went to visit and approved both applications.

Little Pilar & Amora are much loved members of the family! It's just so great when the value of sterilisation is appreciated!

1488 - Carocha

JUNE CAMPAIGN

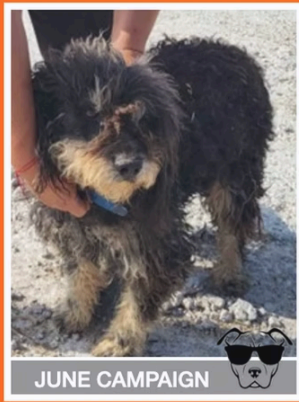

A StreetLife & DPDSAA
Joint Venture

Carocha (5 yrs) lives with Bebe (No 1489), Barbie Cool (No 1478), Clarinha (No 1479) and owner Mariana in Olhão. With the sterilisation of Carocha and Bebe, StreetLife is proud to announce that all four girls have been sterilised. As there were 1-2 males in the family too, it's clear to see that this was a good idea!

A friend had seen our June Campaign poster and Mariana contacted us.... StreetEye Carla sprang into action! We're hoping to get to the boys done too.... StreetEye Carla will no doubt be on the case!

1489- Bebe

JUNE CAMPAIGN

A StreetLife & DPDSAA
Joint Venture

Bebe (12 yrs) lives with Carocha (No 1488), Barbie Cool (No 1478), Clarinha (No 1479) and owner Mariana in Olhão. With the sterilisation of Carocha and Bebe, StreetLife is proud to announce that all four girls have been sterilised. As there were 1-2 males in the family too, it's clear to see that this was a good idea!

A friend had seen our June Campaign poster and Mariana contacted us.... StreetEye Carla sprang into action! We're hoping to get to the boys done too.... StreetEye Carla will no doubt be on the case!

1490 - Zira

JUNE CAMPAIGN

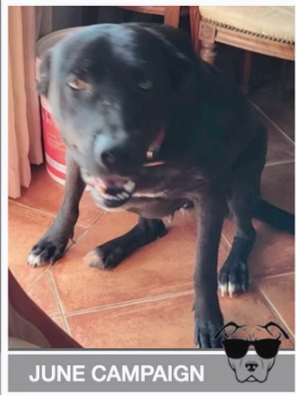

A StreetLife & DPDSAA
Joint Venture

Zira (4 yrs) lives with 13 other dogs (4 females, 9 males) and owner Nuno, in the Faro area. StreetLife started with the girls and Zira is the last. (Nos 1361, 1362, 1363 & 1408). StreetEye Carla visited at the start and found the property unfenced so the males were fighting when a girl was on heat. Also, Nuno's neighbours keep leaving strays on his doorstep. StreetLife's objective has been to slowly close the breeding cycle of these 14 animals! Now, with all the females sterilised, we'll be looking at the boys!

It's been a long slow process ... but we will get there in the end!

1491 - Chanel

JUNE CAMPAIGN

A StreetLife & DPDSAA
Joint Venture

This sweet, gentle and large girl, Chanel (4 yrs) lives with owner Maria in Olhão. Last time she was on heat, she got pregnant and had 12 puppies!!! Maria didn't want this to happen again so when her daughter saw the June Campaign poster, they asked for help with Chanel's sterilisation. StreetEye Carla went to visit and approved the application.

Chanel is now safe from anymore unwanted puppies, but she wouldn't keep still for her photo... maybe she's thrilled that the boys will no longer be harassing her!

1492 - Rita

JUNE CAMPAIGN

A StreetLife & DPDSAA
Joint Venture

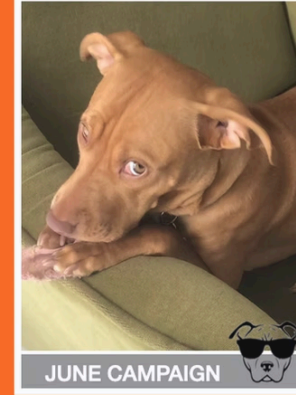

The medium-sized, friendly and energetic Rita (7 mths) lives with owner Valentina in the Fuseta area. Valentina knew that when Rita went on heat it'd be a problem as there are many male dogs wandering around in Fuseta.

Since she doesn't want Rita to have puppies, she started looking for help and APAR referred her to StreetLife.

Carla, one of our StreetEyes, went to visit and approved the application under our June Campaign.

1493 - Julieta

JUNE CAMPAIGN

A StreetLife & DPDSAA
Joint Venture

This is Julieta who is 2 years old and lives with her owner Joana, in the Faro area.

Joana saw our June Campaign poster and contacted StreetLife. Roseane, one of our StreetEyes, went to visit and approved the application.

One more female doggie who will not be having any unwanted puppies... well done Joana... sterilisation is the only way!

1494 - Malibu

JUNE CAMPAIGN

A StreetLife & DPDSAA
Joint Venture

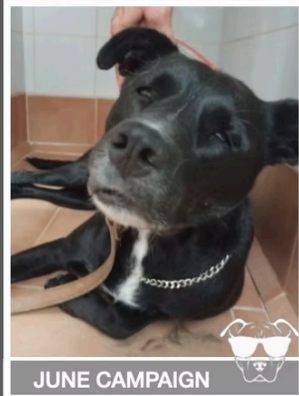

Malibu (2 yrs), a rescue, was originally under the care of unofficial StreetEye Eve who lives in the Moncarapacho area and is all about rescuing and rehoming dogs. Now Malibu has a home with Vicky & Anthony.

Found, very skinny, in the São Bras area she was chipped to an owner in Lagos who didn't appear to know that she was missing. He agreed to sign her over to Eve. Look at this lovely girlie... how could you resist that face?

Thank you Eve for your continued good work! Keep rescuing and sending them to us to be sterilised.... we are always happy to help!

1495 - Lindinha

JUNE CAMPAIGN

A StreetLife & DPDSAA
Joint Venture

Lindinha is about 2.5 years old and lives with her owner Amado, in the Sta Barbara area.

StreetLife was contacted in June during our campaign and Roseane, one of our StreetEyes, went to visit and approved the application.

It was difficult getting a photo of Lindinha because she was very nervous and getting agitated, so her photo was taken at the vet just as she was falling asleep ready for her sterilisation!

1496 - Maia

JUNE CAMPAIGN

A StreetLife & DPDSAA
Joint Venture

Maia lives with Carlos, having been found in the street by his friend. Of course, no chip was found and with two male dogs in the home, Carlos was keen to have her sterilised. StreetEye Joana visited and immediately approved the application.

Poor Maia was back at the Vets twice because of ruptured sutures and now has tick fever which may be why she did not heal properly.

StreetLife is covering all of the costs as we want to get this girlie well again and her tail wagging!

1497 - Liba

JUNE CAMPAIGN

A StreetLife & DPDSAA
Joint Venture

Liba lives with her owner Nelson and 3 other dogs (2 females, 1 male) in the Olhão area on an unfenced property.

StreetEye Carla went to visit Nelson who is finding it difficult to cover the full cost of sterilisation but knows it's important!. Carla approved the sterilisation of Liba who is the puppy. Nina, is the mum of Liba ... and she can't be sterilised yet because she is on heat - so we know what could happen!!

Liba is first... then we will sterilise Nina... then we hope the male!

1498 - Menina

JUNE CAMPAIGN

A StreetLife & DPDSAA
Joint Venture

Menina appeared at Cristina's door and when no owner could be found, moved in..... they also have a male dog and live in the Olhão area.

Menina started to get "chubby" and when Cristina realised she was pregnant she started looking for help. APAR (a Partner Shelter) suggested that she contact StreetLife. and StreetEye Carla visited and approved the application.

We got Menina to a Partner Vet very quickly to be sterilised, and yes, she was pregnant... everything was thankfully sorted!

1499 - Lassie

JUNE CAMPAIGN

A StreetLife & DPDSAA
Joint Venture

Lassie (5 yrs) lives with her owner Vania in the Olhão area. Last year we helped Vânia with Suri (No 1223), her other female, during our November campaign.

Vânia's problem is that there are dogs who jump over her fence, so Lassie will not be safe from having more puppies which they'd like to avoid!

Because she can't afford the full price, StreetEye Carla went to visit and approved the application. Lassie is now safe from the boys!!!

This is Ronnie who is 7 months old and lives with his owner Glenys, in the Olhão area.

Glenys made an online application asking if StreetLife could help with sterilising Ronnie. What a handsome boy!

Glenys had lost her job but knew the importance of sterilisation..... she hoped that we could help, as she did not have the finances to cover the full cost of the surgery.

This is what StreetLife is all about ... we were delighted to be able to help and thrilled to hail Ronnie as our 1500th Sterilisation!!!!

RONNIE
